Laura,

I've tried twice now to submit the request for a copy of the FOIA requests by Snohomish (08-008 and 08-009) using the Electronic Form on the BPA website. Each time it failed and I was directed by the website to contact the help desk which I did. However, they will probably not be getting back to me any time soon.

So, given all the extra logistics/failure of the electronic form on the website, any chance you might treat this e-mail as my formal request for a copy of the Snohomish FOIA request 08-008 and 08-009?

I'll provide you with the same information as required on the form in this e-mail.
